

MYTON INDUSTRIES

BULK TRUCK CONTAINER LINE

BUILT FOR YOU. MADE TO LAST.

Myton Industries bulk box trucks offer one of the broadest size ranges in the industry, spanning compact 45-gallon units to high-volume 150-gallon workhorses — with capacities from 250 lbs to a commanding 750 lbs in heavy-duty configurations. Whatever your operation demands, there's an MT Series cart built to match it.

Every unit in the lineup is constructed from industrial-grade, 100% recyclable polyethylene — the same proven material Myton has been crafting in America for over 50 years. Seamless, smooth-wall construction means no welds to fail, no seams to crack, and no rust to compromise structural integrity. The material shrugs off moisture, most chemicals, and the daily punishment of commercial and industrial environments without losing its shape or strength. It won't dent under impact or develop the weak points that plague metal alternatives, making it a long-term investment rather than a recurring replacement cost. The MT Series durability has earned recognition well beyond traditional food service and industrial markets — the MTE model has found a dedicated following in the film and entertainment industry, where rugged, lightweight, and cleanable containers are an on-set essential.

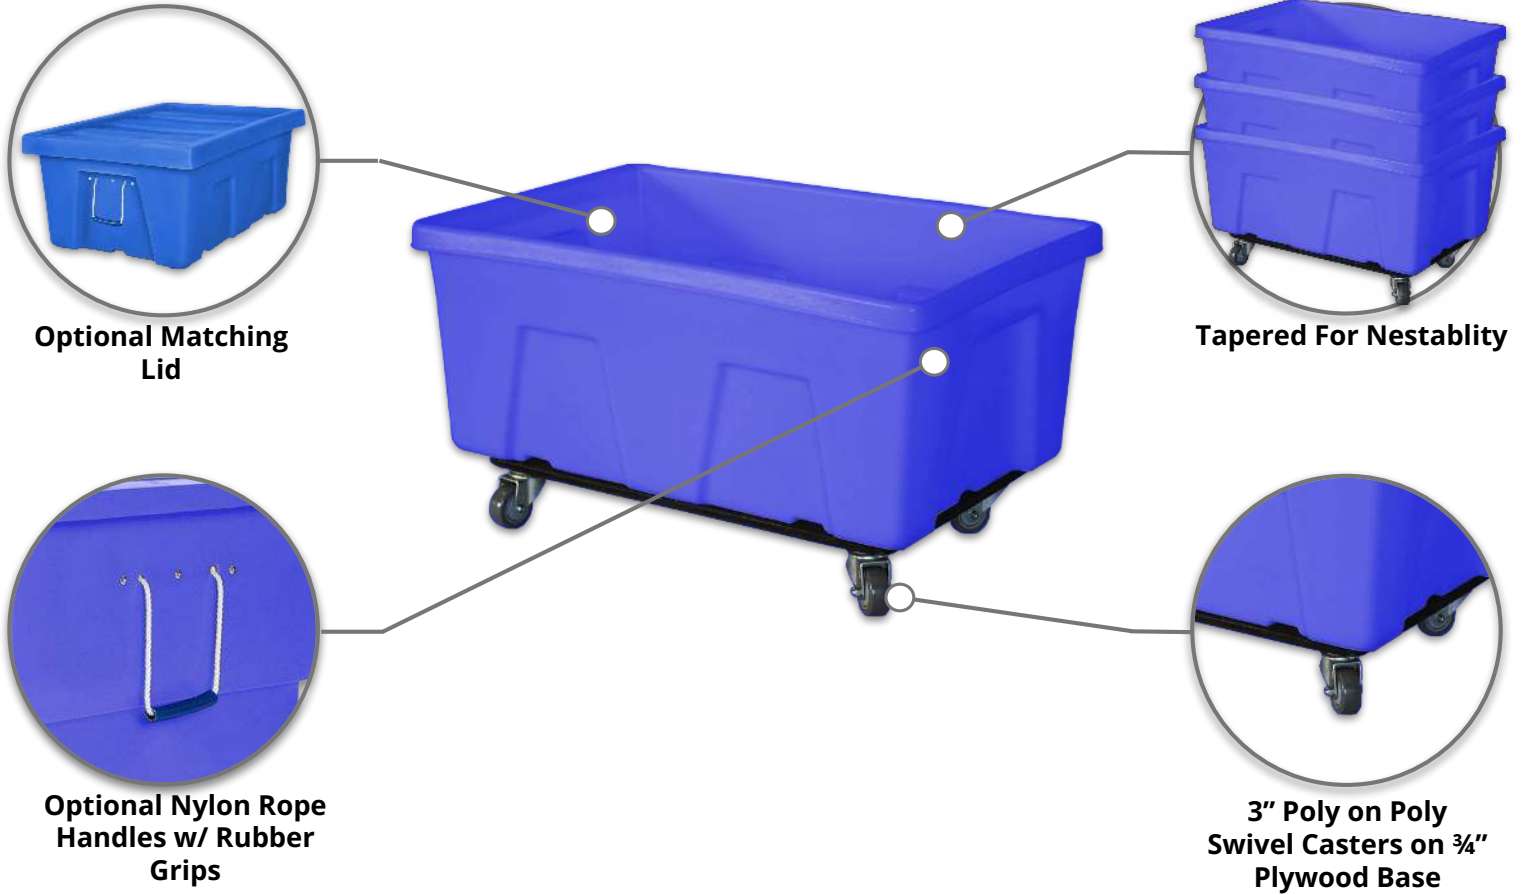

Built to Your Specification

Standard equipment across the line includes a 3/4" plywood base and polyurethane swivel casters, but Myton products are designed to evolve with your needs. Upgrade options include heavy-duty caster packages, reinforced base configurations, and ergonomic handle additions for improved maneuverability in tight spaces. Matching lids are available to secure contents during transport or storage, and units can be outfitted with custom stenciling or consecutive numbering for inventory control and chain-of-custody tracking — a feature as valuable in election supply rooms as it is on a busy production floor.

Available in both medium and heavy-duty density grades, FDA and USDA compliant for food contact, and proudly made in America — the MT Series delivers the versatility, durability, and customization that demanding operations require.

MTA-H3 BULK BOX TRUCK

FEATURES

Choice of fourteen colors

Multiple options, upgrades and optional equipment available

Impact, moisture and chemical resistant material

100% recyclable polyethylene supports ESG/green procurement

Material complies with FDA for contact with food

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY

MYTON POLY TRUCKS

MTV-H5, Hopper Front Box Truck, 20 Bushel, 41" x 34" x 42"

The MTV-H5 bulk box truck stretches to a 37.5" x 30" x 36" interior — the tallest in the lineup — while still delivering a nestable profile that keeps storage and shipping efficient. Its 150-gallon capacity supports 450 lbs standard or 550 lbs heavy-duty, with seamless smooth-wall polyethylene shrugging off moisture and chemicals across both density grades. Five-inch polyurethane swivel casters and a 3/4" plywood base provide stable, effortless mobility on busy floors. 100% recyclable and FDA and USDA compliant for food contact environments.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTV-1-H5 (Medium Duty)	L41"xW34"xH42"	L37.5"xW30"xD36"	L36.5"xW28.5"	450 lbs	72 lbs	150 gal
MTV-2-H5 (Heavy Duty)				550 lbs	82 lbs	

UT-5530-H4, Bulk Box Truck, 13 Bushel, 55" x 24" x 35.25"

The UT-5530-H4 bulk box truck is built long and lean — a 52" x 21" x 28.5" interior that maximizes capacity in narrow aisles and tight corridors where wider units can't go. Its 115-gallon capacity handles 450 lbs standard or 550 lbs heavy-duty, with seamless 100% recyclable polyethylene standing up to moisture and chemicals across both density grades. Four 4" polyurethane swivel casters and a 3/4" plywood base keep it rolling smoothly, with the heavy-duty version adding enhanced structural support for the most demanding applications. FDA and USDA compliant for food contact.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
UT-5530-1-H4 (Medium Duty)	L55"xW24"xH32.25"	L52"xW21"xD28.5"	L48"xW17.5"	450 lbs	57 lbs	115 gal
UT-5530-1-H4 (Heavy Duty)				550 lbs	68 lbs	

UT-3822-H4, Bulk Box Truck, 5 Bushel, 38.5" x 20" x 27"

The UT-3822-H4 is the nimble option in the lineup — a 34" x 16" x 21.5" interior sized for confined spaces without sacrificing capability. At 45-gallon capacity with a 250 lb rating, its seamless smooth-wall polyethylene handles moisture and chemicals while staying 100% recyclable. Four 4" polyurethane swivel casters and a 3/4" plywood base keep it mobile and stable, and the nestable design recovers valuable floor and freight space when units aren't in use. FDA and USDA compliant for food contact.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
UT-3822-H4 (Medium Duty)	L38.5"xW20"xH27"	L34"xW16"xD21.5"	L31"xW14"	250 lbs	45 lbs	45 gal

MTA-H3, Bulk Box Truck, 6 Bushel, 38" x 25.5" x 19"

The MTA-H3 bulk box truck is available in medium and heavy-duty density options, crafted from 100% recyclable polyethylene with seamless construction for superior moisture and chemical resistance. Standard equipment includes a 3/4" plywood base and four 3" polyurethane swivel casters, with the heavy-duty version offering enhanced structural support. FDA and USDA compliant for food contact, it performs equally well in food service and industrial environments.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTA-1-H3 (Medium Duty)	L38"xW25.5"xH29"	L34.5"xW21.5"xD24"	L32"xW20"	300 lbs	55 lbs	74.8 gal
MTA-2-H3 (Heavy Duty)				400 lbs	60 lbs	

MTB-H4, Bulk Box Truck, 11.5 Bushel, 44.5" x 29" x 34"

The MTB-H4 bulk box truck offers a spacious 40.75" x 25.75" x 27.75" interior with 107-gallon capacity, handling up to 350 lbs standard or 450 lbs in heavy-duty. Built from 100% recyclable polyethylene with smooth-wall construction, it resists moisture and chemicals across both density grades. Four 4" polyurethane swivel casters and a 3/4" plywood base keep it mobile and stable, while its nestable design saves valuable storage and shipping space. FDA and USDA compliant for food contact applications.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTB-1-H4 (Medium Duty)	L44.5"xW29"xH34"	L40.75"xW25.75"xD27.75"	L35.5"xW20.5"	350 lbs	68 lbs	107 gal
MTB-2-H4 (Heavy Duty)				450 lbs	75 lbs	

MTC-H4, Bulk Box Truck, 16 Bushel, 47" x 31" x 39"

The MTC-H4 bulk box truck steps up capacity with a 43" x 28" x 31.5" interior delivering 130 gallons, rated for 400 lbs standard or 500 lbs heavy-duty. Its seamless, smooth-wall polyethylene construction — 100% recyclable — shrugs off moisture and chemicals in even the toughest environments. Four 4" polyurethane swivel casters and a 3/4" plywood base provide confident mobility, and the nestable profile keeps storage and freight costs in check. FDA and USDA compliant, it transitions effortlessly from food service floors to industrial settings.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTC-1-H4 (Medium Duty)	L47"xW31"xH39"	L43"xW28"xD31.5"	L39"xW22.5"	400 lbs	67 lbs	130 gal
MTC-2-H4 (Heavy Duty)				500 lbs	73 lbs	

MTE-H4, Bulk Box Truck, 12 Bushel, 41" x 28.25" x 32.5"

The MTE-H4 bulk box truck delivers a compact yet capable 37" x 25" x 25" interior with 110-gallon capacity in a footprint built for tighter spaces. Rated at 350 lbs standard or 450 lbs heavy-duty, its seamless smooth-wall polyethylene resists moisture and chemicals while remaining 100% recyclable. Four 4" polyurethane swivel casters and a 3/4" plywood base handle the heavy lifting, and the nestable design trims storage and shipping overhead. FDA and USDA compliant, it's equally at home on a food service line or an industrial floor.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTE-1-H4 (Medium Duty)	L40.5"xW28"xH30"	L37"xW25"xD25"	L36"xW23.5"	350 lbs	51 lbs	110 gal
MTE-2-H4 (Heavy Duty)				450 lbs	60 lbs	

MTX-H5, Bulk Box Truck, 20 Bushel, 53" x 36.5" x 35.5"

The MTX-H5 bulk box truck takes a wider stance with a 49.8" x 32.8" x 28.5" interior, trading height for a broader, lower profile that suits high-volume horizontal loading. At 150-gallon capacity, it handles 450 lbs standard or 550 lbs heavy-duty, backed by seamless smooth-wall polyethylene that resists moisture and chemicals across both density grades. Four 5" heavy-duty polyurethane swivel casters and a 3/4" plywood base deliver sure-footed mobility, and the nestable design keeps idle units from eating up floor space. 100% recyclable and FDA and USDA compliant for food contact applications.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	INSIDE BOTTOM DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTX-1-H5 (Medium Duty)	L53"xW36.5"xH35.5"	L49.8"xW32.8"xD28.5"	L46.5"xW29.5"	450 lbs	85 lbs	150 gal
MTX-2-H5 (Heavy Duty)				550 lbs	103 lbs	

MTH-H5, Bulk Truck, 20 Bushel, 40" x 33" x 42"

The MTH-H5 bulk box truck is built for serious volume, offering 150 gallons across a 37" x 29.5" x 34" interior with load ratings that mean business — 550 lbs standard and a commanding 750 lbs in heavy-duty. Taller 5" polyurethane swivel casters elevate maneuverability for demanding floor environments, while the seamless smooth-wall polyethylene construction keeps moisture and chemicals at bay across both density grades. Nestable when empty, it recoups floor space and reduces freight costs without compromise. 100% recyclable and fully FDA and USDA compliant for food contact operations.
