STACK ONLY CONTAINER LINE

1981 S. PARK RD. HALLANDALE BEACH, FL 33009 | 800-544-2406 | MYTONINDUSTRIES.COM | SALES@MYTONINDUSTRIES.COM

BUILT FOR YOU. MADE TO LAST.

The Myton SO/MTU Series Stack-Only Container

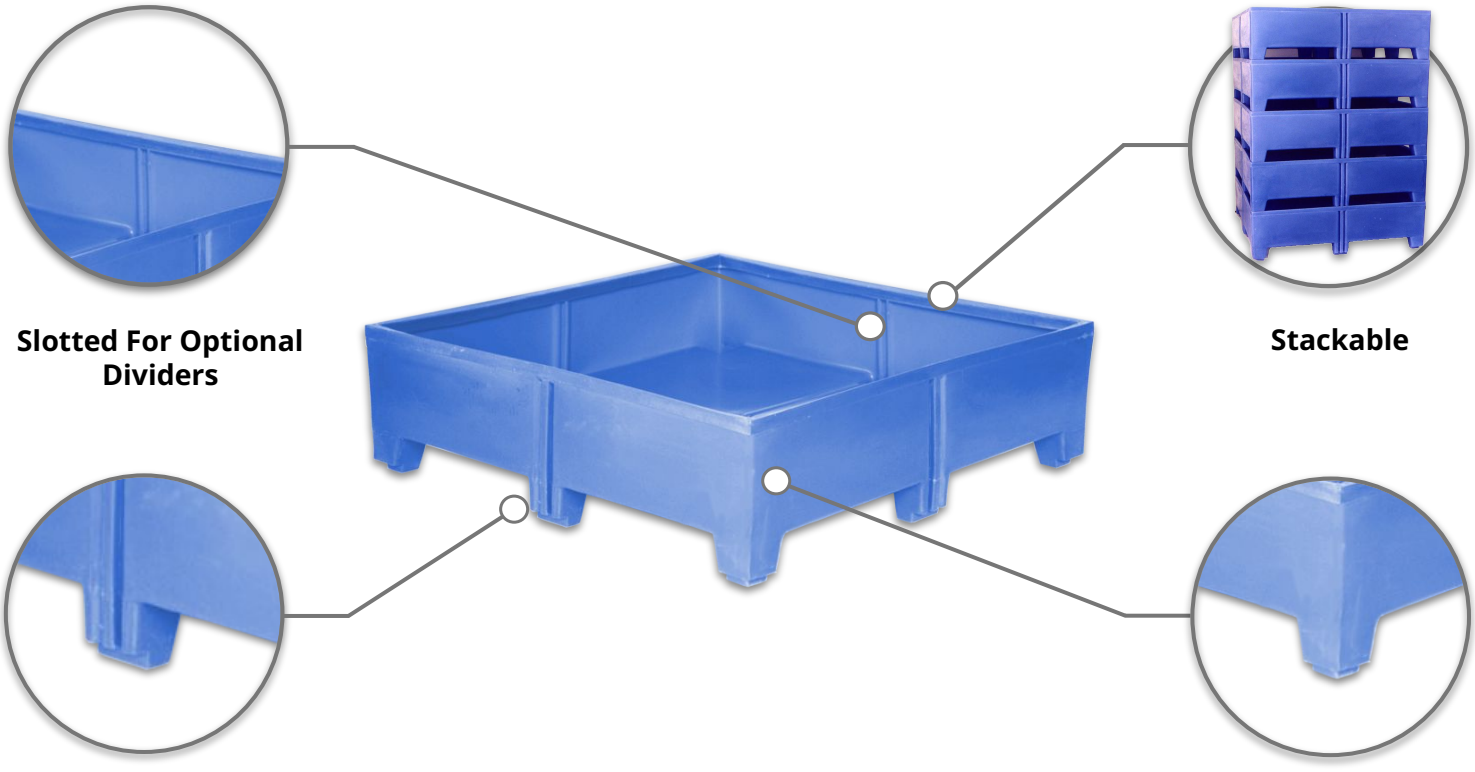

The Myton stack-only container line is engineered for operations where vertical space is an asset and load stability is non-negotiable. Available in two and four-way forklift entry configurations across a range of footprints, the lineup spans 109 to 123 gallons with load ratings from 400 lbs to a commanding 1,200 lbs in heavy-duty configurations — purpose-built for high-density stacking environments.

Straight-wall construction is the defining feature of the series, strategically distributing weight along the container sidewalls to maximize stacking capacity and load stability. Precision-notched forklift legs capture the container perimeter when stacked, preventing load shift during storage and transit. Every unit is constructed from seamless, 100% recyclable polyethylene that resists moisture and chemicals without rusting, cracking, or degrading over time.

Built to Your Specification

Select models stack up to three high with or without an optional lid, and optional handles make repositioning straightforward between forklift moves. The MTU Series features built-in divider slots for organized storage of multiple SKUs or components in a single container. Custom dividers are a common add-on across the line. Proudly made in America with over 50 years of Myton craftsmanship behind every unit.

MTU-Series, Stack Only Container, 47″ x 47″ x 14″

The MTU Series takes a notably square 46.5″ x 46.5″ x 10″ profile — ultra-low and pallet-friendly — delivering 112 gallons at 400 lbs. Built-in divider slots allow organized multi-SKU storage within a single unit, and precision-notched forklift legs keep stacked loads secure. Four-way forklift entry and seamless smooth-wall polyethylene throughout. 100% recyclable.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
MTU	L47″xW47″xH14″	L46.5″xW46.5″xD10″	400 lbs	45 lbs	12.5 cu ft 93.5 gal

SO-3626 Series, Stack Only Container, 36″ x 32″ x 29.5″

The SO-3626 stands taller than most — a 35.5″ x 29″ x 29.5″ interior delivering 109 gallons with a 1,000 lb rating. Stackable up to three high with or without the optional lid, notched forklift legs capture the container perimeter at every level for reliable load stability. Four-way forklift entry and seamless smooth-wall polyethylene throughout. 100% recyclable.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
SO-3626	L36″xW32″xH29.5″	L33.5″xW29″xD29.5″	1000 lbs	45 lbs	14.5 cu ft 108.5 gal

SO-5524 Series, Stack Only Container, 55″ x 30″ x 24″

The SO-5524 runs wide and low — a 53″ x 28″ x 18″ interior delivering 123 gallons at 650 lbs suited to large-format stacking. Stackable up to three high with or without lid, it is commonly configured with surface chest handles for operations needing both secure stacking and manual portability. Notched forklift legs prevent load shift. Seamless smooth-wall polyethylene throughout. 100% recyclable.

MODEL	OUTSIDE TOP DIMENSIONS	INSIDE TOP DIMENSIONS	WEIGHT CAPACITY	SHIPPING WEIGHT	VOLUME CAPACITY
SO-5524	L55″xW30″xH24″	L53″xW28″xD18″	650 lbs	45 lbs	16.5 cu ft 123.4 gal

SO-5038 Series, Stack Only Container, 49.5″ x 37.5″ x 21.5″

The SO-5038 stack-only container delivers 120 gallons across a wide 47.5″ x 35″ x 16.5″ interior in a low-profile format built for dense horizontal stacking. Rated at 600 lbs in medium-duty or an impressive 1,200 lbs in heavy-duty, its notched forklift legs lock containers in place when stacked to prevent load shift. Two-way forklift entry and seamless smooth-wall polyethylene construction throughout. 100% recyclable.
